# PART – B

## 1. ACTIVITIES REFLECTING GOALS AND OBJECTIVES

- The programs of teaching and learning are consistent with the goals and objectives of the Institution. The mission of the institution to enable students to develop as intellectually alive, morally upright, socially responsible citizens with a positive personal and professional growth is always kept in mind. The mission objectives coincide with the core values put forward by NAAC – contributing to national development, fostering global competencies among students, inculcating a value-system in them and promoting the use of technology. The institution believes in keeping abreast with new developments while keeping in touch with core values of our culture. The following activities are conducted:

### **Different forums :**

- a) **‘Ankura’** : to focus on issues and problems concerning women
  - Conduct workshops to empower women students
  - Create awareness of various challenges facing women
  - To redirect perceptions of women in a multi-tasking global world
- b) **Career Guidance and Placement cell**
  - To expose students to emerging career opportunities
  - To train students for recruitment
  - To interact with the industry and facilitate campus recruitment
- c) **Commerce and Management Forum, Science Forum, Humanities Forum**
  - To organize guest lecturers to expose students to professionals and experts.
  - To encourage students to develop skills and confidence through practical activities and competitions.
- d) **NSS and NCC** units to inculcate the spirit of service among students.
- e) Cultural Activities to provide a platform for a wide variety of talents, culminating in Ethnic day and Annual College Day “Tarang”.
- f) A vibrant Sports programme which produces sportspersons of national and international calibre.

- g) Encouraging students to develop their knowledge, communication skills and confidence by encouraging them to make presentations/present papers
- h) Providing financial aid to needy students through official scholarships as well as informal assistance
- i) Encouraging the faculty to improve their academic credentials and knowledge-base.

## 2. NEW ACADEMIC PROGRAMMES INITIATED

To equip students with good communication skills in English language, **Spoken English Classes** have been introduced. The Department of English conducts a 20-hr program at a minimal cost of Rs. 150 to enable all interested students to avail the opportunity. The focus is on reaching out to those students who are extremely poor in communication in English.

## 3. INNOVATION IN CURRICULAR DESIGN AND TRANSACTION

Since the institution is an affiliated college, the course matrix and syllabus are designed by the University. However faculty members actively participate in the process of curriculum and syllabus designing.

- Many senior teachers of the college are appointed as members of the university Board of Studies and Textbook Committees in various subjects and thus contribute substantially to curricular design.
  - Dr.Narahalli Balasubramanya, Department of Kannada, Member of BOS, Department of Kannada, PG Centre, Mangalore University Member, Kannada Certificate Course, Board of studies, Kannada University, Hampi.
  - Prof. R.S.Kantharaj, Department of English, Member Board of Studies (UG) English.
- Teachers attend and actively participate in workshops and seminars on syllabus revision.
  - Nirmala.K.R, B.Girija and Prakash.P, *Department of Physics*, participated in the workshop on Experimental Physics for II semester Physics syllabus on 23 & 24.1.07 organised by Indian Physical Association and Bangalore University I Grade College Physics Teachers' Forum held at Sri. Bhagawan Mahaveer Jain College.

- **Dr.Manjunatha.K**, *Department of Commerce & Management* attended a discussion meet on 'Education Reforms in Karnataka' organized by Centre for Education and Social Studies in Aug.08.
- Teachers are motivated to equip themselves by attending seminar, conferences and workshops to teach subjects efficiently. ICT-enabled teaching is encouraged wherever feasible.

#### **4. INTER-DISCIPLINARY PROGRAMMES STARTED**

**Departments are encouraged to organize inter-disciplinary programmes.**

**They are:**

- Basic Mathematics classes for BA/B.Com/ BBM students.
- Lectures on 'Practical banking' by Commerce teachers to Humanities students.

#### **5. EXAMINATION REFORMS IMPLEMENTED**

- The examination system is followed as per the university guidelines and regulations.
- Internal assessment marks are awarded based on periodic assessment through assignments, regular tests and presentations in class, as well as attendance.
- Appointment of 3 senior lecturers to function as internal flying squad to ensure total absence of malpractice during examinations.
- Internal assessment marks are announced on the notice-board and students are given the opportunity to clarify any doubts before finalisation.
- Recognising and awarding students on the basis of excellent performance in university exams on College Day.
- The college is proud that, as in every year, many faculty members have been assigned important examination-related responsibilities by the University.

## 7. INITIATIVE TOWARDS FACULTY DEVELOPMENT PROGRAMMES

The institution recognizes that there is a strong link between the continuing academic development of the staff and an effective teaching-learning process. One of the undoubted strengths of the institution is the skill and knowledge of the staff and the college encourages them to develop both professional and personal skills as well as knowledge appropriate to their role.

- The college encourages the participation of faculty in conferences, seminars, symposia held abroad and within the country. The faculties are provided financial assistance. Registration fees for workshops and seminars are reimbursed.
- The college encourages faculty members to pursue higher education and research programs. The management gives financial incentives to teachers who have attained new research degrees. Increments of Rs. 500 per month and Rs. 300 per month are offered to teachers who have completed their PhD. and M.Phil programs, respectively. Felicitation programs are organized to motivate teachers who have completed their research project.
- Lady faculty members are encouraged to attend seminars and workshops on Women's Empowerment.

## 8. TOTAL NUMBER OF SEMINARS & WORKSHOPS CONDUCTED
