REPORT

The BBA Department in association with NICT Computer Education Private Limited organised One Day Workshop on "Artificial Intelligence and Machine Learning" on 17 December 2021 for V Semester BBA Students at 11am in A.V Room. The Resource Person was Mr. Siva Kumar, Senior Software Developer of NICT and Co-ordinator for TCS. One hundred and thirty-two students participated in the workshop. The objective of conducting this workshop is to give the students a computer based integrated learning program. The students actively participated in the workshop. NICT also awarded prizes to students who answered most of the questions at the end of the session. The first prize awarded was a cash prize of Rs.500, the second prize was a cash prize of Rs.300 and third prize was the cash prize of Rs.200. Dr. Meera H N, Principal presided and Prof. Kalanaik graced the occasion. The Certificate of Participation was awarded to all 132 students. The workshop concluded successfully.
