SESHADRIPURAM EDUCATIONAL TRUST

Seshadripuram Educational Trust (SET), the pioneering educational trust of Karnataka was founded in the year 1930. In the course of its sustained growth spanning nine decades, it has established itself as one of the foremost educational organizations in the state. SET has grown as a global conglomerate of premier educational institutions and as a symbol of emergent free India, catering to a total student population of over **24,500**. The trust engages more than **1500** employees and provides education ranging from pre-school to post graduation, research and foreign collaboration in **34** institutions spread across Karnataka.

The mission statement of SET affirms that every individual from each stratum of society deserves affordable, relevant and quality education. The Trust constantly strives to meet this social obligation of inclusion and an affordable education while simultaneously ensuring expansion of newer streams in its institutions and providing of world-class infrastructure. The ultimate goal of the Trust is to nurture knowledge that will lead to happiness, peace, harmony and prosperity.

SESHADRIPURAM COLLEGE

Established in the year 1973, Seshadripuram College has carved a niche for itself among the premier education in Karnataka. It has maintained the highest grade - 'A++' - through the Fourth cycle of NAAC accreditation. It regularly features among the top 50 Commerce colleges of the country in the India Today rankings. It is reputed particularly for its high academic standards and excellent placements. In the four decades of its existence, the student strength has grown substantially from 30 students at inception to its present strength of 3000+ students, with a commensurate expansion in faculty strength.

The institution realises that national development requires a strong human capital base to be produced through an education system which fosters thinking, creativity and a strong sense of social responsibility. The college attempts to create a challenging teaching-learning environment which equips students with the knowledge and skills required to face the challenges of globalised environment without sacrificing the core values of our culture. It prides itself in its cultivation of a warm, cordial and mutually supportive relationship with all its stake holders.

VISION

To empower every individual with knowledge and confidence.

MISSION

To enable students to develop as intellectually alive, morally upright, socially responsible citizens with a positive attitude, ever ready for continuous personal and professional growth.

QUALITY POLICY

To commit ourselves to a sustained effort at comprehensive quality enhancement to meet the needs of the present and the challenges of the future.

LOCATION

Located in the heart of the city, the Seshadripuram College campus is a landmark that is well known to all and is well - connected by bus to all parts of the city, is a mere 2kms from the main Majestic bus terminus and railway station and has a Metro station at a walking distance. In addition, the college is located in front of a beautiful park with lush greenery which is a great relaxing spot for our students. Outdoor sports practice and activities are conducted in the adjacent grounds. The presence of various types of business establishments around makes it easy for students to gather data for projects. The trendy eateries and malls around the college is an added attraction to the students. The college is also located within a kilometre's distance from a hospital and police station ensuring that any emergency is attended immediately.

FROM THE PRINCIPAL'S DESK

Seshadripuram college was established with a humble vision of imparting education to the local youths. In the course of fulfilling that vision, the college has made remarkable achievements and emerged as one of the premier institutions in the country. We have been accredited with 'A++' grade by the NAAC. We owe these achievements to the guidance of the enlightened Management, hard work of committed faculty and administrative staff and the active participation of the students.

I am indebted to all my predecessors for passing on the baton of leading an excellent institution to my hands. I have a great challenge of taking an excellent Institution to greater heights. This challenge is accepted further by the vast changes in the external world. Now the Institutions, relations and values are no more certain, fixed

and stable, as they are uncertain, flux and fluid. Negotiating an ever changing world is a challenge. In this changed context we cannot confine our goal to create employable youths. Skills equip the individuals to earn their livelihood but values prepare them to face their inner struggles. Inner conflicts over right versus wrong, positive versus negative and justice versus injustice. Education should enable an individual to stand with the right, positive and justice irrespective of the consequences of such decisions. Hence we need to move further and create leaders, visionaries, social and cultural entrepreneurs and poets who can actively participate in the formation of new India. I hope and wish we - the Management, the staff and the students together - can achieve this goal.

Maj Dr. Anandappa Iramukhadavar
Principal

NURTURING ALL-ROUND EXCELLENCE

Accredited and Re-accredited with A++ Grade by NAAC in the fourth cycle.

Consistently highly ranked among Best Commerce Colleges in India by Education World, India Today, The Week and Outlook Magazine.

Academic excellence - 8 Rank in B.Com. (A&F) in Dr. Manmohan Singh Bengaluru City University 2025 Examination. 1 Rank in B.Com., 2 Ranks in BBA in Dr. Manmohan Singh Bengaluru City University 2024 Examination. 5 Ranks in M.Com. (FA) in Dr. Manmohan Singh Bengaluru City University 2025 Examination.

Sports Scholarship of Rs. 10,000/- and 5000/- are given for International and National players respectively.

Students placed in reputed companies in 2025-26 with highest CTC of 13.96 LPA and Average CTC of 3.6 LPA.

ETHOS - Learning for Life

FORUMS FOR HOLISTIC DEVELOPMENT

As an institution, we are seriously committed to promoting the holistic development of our students by providing opportunities to grow both within and outside the classroom. With this goal in view, we have developed a wide variety of forums, committees and associations to encourage both co-curricular and extra-curricular activities. The ethos or spirit of the college is created through these channels. Providing faculty a platform to grow academically.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The IQAC is the central quality-monitoring body of the institution and functions as the nodal agency for quality-related activities. It aims to develop, maintain and promote academic as well as administrative excellence. It defines the objectives of the institution, creates a benchmark for quality-enhancement measures, devises a work plan to achieve them and coordinates the execution.

STUDENT COUNCIL

The aim of the Student Council is to give students an opportunity to develop leadership qualities by organising and carrying out college and community engagement activities. The Student Council also gives voice to the student body to share ideas with the College.

ECO MITRA - Forum for Environmental Consciousness

Eco Mitra is a forum for students and teachers who are interested to participate in the green crusade. The forum aims to create awareness on the importance of preserving and nurturing our environment and also promotes environment-friendly practices in the institution.

LAKSHYA : Commerce and Management Forum

Lakshya aims at going beyond classroom learning and promoting a creative bent of mind, ingenious thinking and a genuine appreciation for the challenges faced in the wider world of commerce and business. The forum aspires to help students develop the required skill-set, stay abreast with the ever-changing demands of industry and thereby create future business leaders.

PRAGNYA : Forum of the Dept. of Computer Science

Pragnya aims to keep students abreast of recent developments in Science and Technology through interaction with experts in the field. The forum also conducts programmes and competitions to encourage innovative application of theoretical concepts among students.

BHASHA SANGAMA : The Forums of Language

The forum comprises Kannada Parishat, Soudamini Samskrutha Vedike, Hindi Parishad and the English Club, Kaleidoscope. Bhasha Sangama aims to foster literary sensibility among students by creating a platform for interaction with eminent literary personalities. It stimulates creativity through various activities and competitions at the college and inter-collegiate levels.

TARANG : Forum for Cultural Activities

Tarang, the cultural bastion of the college, provides a platform for students to exhibit and develop their talents. Each year, a wide variety of artistic, literary and other creative talents are identified through a series of inter-class competitions. Students are then provided opportunities to win more accolades in inter-collegiate competitions. Celebration of Ethnic Day, Rainbow Colours Week and the Annual College Day. The Colourful extravaganza of music, dance and drama makes academic year vibrant.

SRISHTI : Cell for Entrepreneurship Development

The Entrepreneurship Cell aims to ignite creative thinking and nurture entrepreneurial instincts in students. The Cell conducts stimulating workshops, competitions and interactive sessions with young achievers in the field. The Cell runs an innovative online marketing portal sdccampusmarket.com for students to hone their marketing skills.

ANKURA : Forum for Empowerment of Women and Internal Complaints Committee

Ankura is a proactive forum to promote gender sensitisation and empower women with the awareness and confidence necessary for their self-empowerment. It also addresses and takes action against any instance of sexual harassment in any form.

Gandhi Study Centre, Vivekananda Adhyayana Kendra and Ambedkar Study Centre

These centres promote an awareness in the student community based on the thoughts and vision of the three great architects of modern India. They conduct interactive programmes as well as competitions and guide the students to discover themselves the contribution of these great personalities.

SAMATA : Equal Opportunity Cell

The Cell conducts sensitisation programmes regarding different kinds of Marginalised Community and human rights. It conducts information sessions about government schemes to assist education and employment.

NATIONAL CADET CORPS (NCC)

Our NCC Army Wing is an infantry unit under 2 Karnataka Battalion, Karnataka and Goa Directorate. NCC aims to groom students and develop in them character, leadership, secular outlook, spirit of advance and selfless service. NCC transforms them into trained and motivated human resource that will lead the nation in all walks of life. Several of our cadets have joined the armed forces to serve the nation.

NATIONAL SERVICE SCHEME (NSS)

The NSS unit of the college is a highly reputed and recognised unit, having won State and National level awards for Best Volunteer, Best Unit and Best Programme officer. From cycle rallies to rural camps, from awareness campaign to helping the disadvantaged, the NSS volunteers are always at the helm.

RANGERS AND ROVERS

The college has units of Rangers and Rovers. The aim is to develop youngsters in achieving intellectual, emotional, social and simultaneously promoting leadership skills and physical fitness.

YOUTH RED CROSS

The Youth Red Cross unit attempts to promote awareness regarding voluntary blood donation. The members help to organise mega blood donation festivals in the college, conduct health awareness programmes and medical examination for students and faculty.

SAMHITA : Community Engagement Cell

The college has taken up an initiative to establish a meaningful connect between the institution and the local community. Samhita coordinates all community awareness programmes in association with the Residents' Welfare Association, Kumara Park (West).

VIKASA : Career Guidance and Placement Cell

The Cell plays a vital role in shaping the career of our students by assisting students in making choice regarding their career by organizing career guidance sessions with experts from the industry. It has evolved a unique training programme sustained across eight semesters, aimed at enhancing the employability of students and making them ready to face the challenges of the professional world. The activities of Vikasa culminate in organizing campus recruitment by highly-reputed companies.

Seshadripuram College Old Students' Association (SCOSA)

SCOSA provides our alumni the forum through which precious Alumni ties with the college are renewed time and again. SCOSA's annual get-together in March sees hundreds of nostalgic alumni gathered to take a long trip down memory lane. The alumni associate themselves in promoting cultural, sports, academic and placement activities in the college. Our alumni also institute cash prizes and scholarships to encourage excellence in academic as well as extra-curricular fields.

PRAGATI : Cell for Professional Development

The college offers a range of skill-development certificate courses in order to increase the employability quotient of students and make them industry-ready. The various courses are coordinated by Pragati-Cell for Professional Development.

COLLEGE VOICES : Newsletters and Magazines

The Newsletters and Magazines - Pratibimba, Commerce Voice, Science World, Lyceum, The Seshadripuram Monthly - provide a forum for students and faculty to express their views and insights on subject-related and general topics. It is an important means of cataloguing and publicizing college activities and achievements.

DHRUTI - Internship Committee

The College is very glad to introduce the Internship Committee. It has maintained the record of outstanding internship opportunities for students with a slogan of "Stipend based Internship or Certificate based Internship or Both" which has been again a major achievement of our college.

TOUR COMMITTEE

The Tour Committee of the College organizes an educational tour (To North India), Industrial visits and short trips for 1st, 2nd and Final year Students annually to provide an experiential and participatory learning platform among its attendees. The committee aims to enhance the coordination and cooperative mindset, impart knowledge, drive creative problem solving skills along with building values as future citizens of the nation.

ANVESHANA - Research Cell

The Cell promotes a research bent of mind among the faculty members by steadfastly encouraging them to take up research based activities, including enrolling for Ph.D. programmes, undertaking research projects and publishing research articles. It also promotes research aptitude in students through conducting annual Research Day Poster presentation competition.

UNNATI - Faculty Development Forum

Unnati the Faculty Development Forum provides an opportunity to faculty members to develop competence in pedagogy & research and also to update their knowledge with the latest academic practices in their field. The faculty can then practice and share their new learning with thousands of students in due course bringing about a major qualitative change in academics and practice.

DISCIPLINE AND ANTI-RAGGING CELL

The Discipline and Anti-Ragging Cell is the moral police of our college and its responsibility is to ensure that students maintain discipline and decorum in the classrooms and within the college campus. Members of the cell regularly go on rounds to each and every classroom to make note of misbehaviour and also to make sure that the college campus is free from ragging and eve-teasing. The Cell takes severe punitive action against students indulging in unacceptable behaviour.

SPANDANA - Grievance Redressal Cell

The Grievance Redressal Cell attempts to address genuine problems and complaints of students. Students are encouraged to use the suggestion boxes and online grievance register to express constructive suggestions and grievances.

CONFERENCE COMMITTEE

The Conference Committee of the college is constituted in the college with a vision to create the continues learning amongst the teaching fraternity. The committee strives to bring about a significant number of diverse scholarly events which includes academic conference, symposium, workshop and aims to bring together leading academic scientists, researchers, to exchange and share their experiences. Conference Committee enables quality publications in UGC CARE List journals.

IPR Cell - Intellectual Property Rights Cell

Intellectual Property Rights deals with the protection of tangible and intangible property. It protects the inventor from infringement. The main aim of the cell is to create awareness about intellectual property rights among research scholars, faculty members and students. The cell organises various events like workshops, seminars, research work, exhibitions, quiz, guest lecturers, panel discussion and Inter-active sessions to enhance the knowledge of the stakeholders. This cell provides a conducive environment for creativity and innovation.

BASAVA ADHYAYANA KENDRA

Basavanna was an extraordinary visionary from 12th century who gave a unique spiritual path to the mankind and brought social, religious and economical revolution. Basava Study Centre is established with the intention of imbibing the universal message and practices of Basavanna to enrich the students, personality. The Centre comprehends and act as a value addition to the ideologies of other associated institutional study centre.

INTERNAL COMPLAINTS COMMITTEE (ICC)

The Institution, with an intent to provide a safe and congenial atmosphere for the staff and students, has established Internal Complaints Committee (ICC) as per the UGC Prevention, Prohibition and Redressal of Sexual Harassment of Women Employees and Students in Higher Educational Institutions Regulations, 2015. In compliance with the UGC statutes regarding measures for ensuring the safety of employees and students by organizing programmes related to Gender Sensitization, disciplinary actions against sexual harassment, Ethics, Physical, Mental and Emotional Health and providing necessary infrastructural facilities for effective functioning. The institution is committed to zero-tolerance policy towards sexual harassment and strives to create a campus free from discrimination, harassment or sexual assault at all levels.

ROTARACT CLUB

Rotaract Club aims at providing civic awareness among the students. The members of the forum conduct community focused initiative which provides beyond class room learning experience. It stimulates social responsibility among our young learners.

MOOC COMMITTEE

MOOC Committee of the college identifies Online learning platform offering courses, assessments and events. It is an ideal platform for an individual who wishes to pursue education on self-learning pace catering to learners across various segments right from K 12 to working professionals enabling educators and trainers to deliver self-paced and blended learning.

RANGA-RASHMI DRAMA

A Ranga-Rashmi drama committee, is a student committee that manages and organizes theatrical activities, including plays, workshops, and competitions, fostering creativity, teamwork, and performance skills.

SC/ST Cell

The SC/ST Cell at the college promotes a secure and civil living and working environment for all students, staff, and faculty in tie up with the local community. Regardless of colour, religion, caste, creed, or culture, the institution is committed to promoting an environment that respects and supports diversity. The Cell adheres to the reservation orders periodically issued in favour of SC/ST and quick settlement of the concern of SC/ST Category Workers. The college facilitates these students with financial assistance from governmental organisations and other sources. Additionally, the Cell Addresses numerous issues SC/ST students have.

SAMVIT

The Social Media Committee

Samvit - the Social Media Committee The committee acts as the mirror of Seshadripuram College, which updates every event and Programs conducted through various departments, committees, forums and study centres. Samvit is available on the Instagram platform with the page name- Samvit Seshadripuram College.

OBC Cell

A special Cell to look into the affairs of Other Backward Class students and staff of the institution, was established on 10th December 2022 in accordance with the XI plan guidelines of the University Grants Commission. The OBC Cell of the college creates a living and working environment where all employees and students belonging to this community feel safe and respected. The college takes special interest in facilitating financial support to students of this community from government agencies and other sources. It also solves various problems of OBC students.

MINORITY CELL

The institution strongly believes in creating a safe and healthy environment for students and faculty with an objective of building inclusive society. The Minority Cell was established to strengthen minority community and uphold the spirit of diversity and inclusivity. The cell enables to build Equity, Equality and access to all the members of minority group and it also helps to manage end to end academic and non-academic concerns with regard to caste, social, economical, racial, lingual aspects of minority group. The Minority Cell of the college is formed for the welfare of students and staff from the Christian, Muslim, Jain, Buddhist, and Parsis community.

STUDENT SUPPORT SERVICE

PHYSICAL INFRASTRUCTURE

HALLS OF UTILITY

Auditorium

The oldest among the venues to conduct programmes is the auditorium. It has over the years played hosted many seminars, symposiums and cultural activities. This double tiered hall has a warm, pleasant and theatrical ambience. It is equipped with the latest technology and a perfect venue for any kind of college gathering.

Seminar Hall

Equipped with an inbuilt audio-visual system, the fully air-conditioned seminar hall has a seating capacity of 100. This makes it an ideal place to conduct meetings and workshops and screen movies for students.

Conference Hall

The conference hall is a beautiful, value addition to the college's infrastructure. The fully air-conditioned hall has the latest audio-visual facilities and has a seating capacity of nearly 200. This makes it an ideal venue for conducting national and international conference.

GALLERIA

Equipped with an excellent sound system and audio visual facilities. Galleria is the latest addition to the halls of utility, with seating capacity of 140. It provides a wonderful ambience not only for ICT-enabled classes but also minor programmes like guest lectures and workshops.

RANGAMANDIRA

Kuvempu Rangamandira, the open-air stage is the best place to address the entire college. Programmes with large student gatherings like the annual College Day, Alumni meet, Medical Camps. It is also an instant stage on many occasions accomodating the audience in the quadrangle and Orientation Programme for freshers. The stage also has had the privilege of hosting various eminent personalities. The fortnight long Ramanavami concert is held here from many years.

Activity Room

Equipped with multi media facilities and flexible seating. The Activity Room is widely used to conduct group discussions, case study analysis classes and workshops for a group of 135 students.

MULTIGYM

The well-equipped multi gym provides students the opportunity to build their stamina to be better able to cope with the rigours of college life, channelize their energies in a healthy way and also hone their physique. Membership to the gym can be availed by both students and staff members at extremely nominal rates. It has been the training ground for many State and University level body building championships.

CANTEENS

Our college has two canteens. One located in the quadrangle caters exclusively to the students and staff of the college, the other is open to the public. also. It has a wide choice of delicious, healthy, hygienic and reasonably priced foods to choose from whether it is breakfast, lunch or a quick snack.

INDOOR GAME CENTRE

Students enjoys a indoor games to strengthen their mind and body. Carrom, playing chess or have fun sending ping-pong balls flying across the table tennis table. It is the hang-out place for students to take break from the academic pursuits. After all, all work and no play makes students dull boys and girls.

CLINIC

A well-equipped clinic with a full-time doctor and assistant is present within the premises of the college. As a result, the college is able to provide immediate medical assistance to students in case of an emergency. Health cards containing the medical history of all students are maintained. Students are also welcome to approach the clinic for free health check-ups.

GIRLS' HOSTEL

Provision has been made in the Yelahanka campus for accommodation of our girl students from outside the city. The hostel which overlooks a sprawling garden, offers well-maintained and furnished rooms at a reasonable price. Students have the option of sharing a room or otherwise. Students can also choose to avail shared or private bathroom facilities. Wholesome food is prepared by well-known caterers apart from which residents can also visit the canteen right below the hostel. The hostel also has round the clock security and assistance for its residents along with a clinic for emergency medical aid and parking facility too.

ELEVATOR

The elevator facilities through the different floors of the college is availed by both staff members as well as differently-abled students. A lift operator is present at all times to enable safe movement for people up and down the college floor.

PUBLIC ADDRESS SYSTEM

The Public Address System offers an efficient, paper-free means of communication to the students. Gone are the days when attenders delivered circulars and memos from class to class. Important announcements regarding programmes to be conducted, time-tables of examinations, due dates to pay fees etc. are announced through the public address system which reaches every class simultaneously, thus ensuring that clear notification reaches students regarding significant happenings in the college.

VISITORS' LOUNGE

Our college has a lounge for visitors to relax while they wait to meet the concerned college authorities. The administrative staff ensures that visitors feel welcome and they are very forthcoming with any assistance the visitors require anytime.

INTERNET

In order to encourage and promote the use of technology, the twin processes of teaching and learning, our college provides free and high speed internet access Wi-Fi in the library, labs and staff rooms.

SECURITY

The college provides round the clock security in the college campus, especially at the gates. Security guards monitor the movement of students and visitors at the gates. CCTVs have been installed in classrooms and other prime locations to tighten the security set-up.

PARKING

A sizeable amount of parking space is provided with in the college for staff members and visitors. The parking lot is equipped with round the clock security services including security guards and CCTV cameras to ensure the safety of the vehicles.

DRINKING WATER

The college has set-up drinking water filters in all the blocks and floors of the campus. The well-maintained filters provide clean drinking water. Rest assured students need not travel to college with their bags made heavy with water bottles.

REST ROOMS

Conveniently located rest rooms on various floors are a part of the college infrastructure. The restrooms are furnished with adequate number of toilets, washbowls, mirrors, dustbins etc. They are well maintained by the college housekeeping staff thereby ensuring the provision of hygienic basic amenities.

LADIES' AND BOYS' LOUNGES

Lounges for girls and boys on the third floor terrace are a place for relaxed chatting in free hours and during the break.

ACADEMIC INFRASTRUCTURE

▶ **WOW-Week of Welcome**

WOW is a program of activities designed for freshers at the start of the academic year which includes some fun events and opportunities to meet and get to know other students. This week-long ice-breaking session hopes to give new entrants headway with their studies and college life in general. The carefully planned, activity-driven program consists of topics related to behavioural and communication aspects such as self-awareness, positive attitude, language development, creative thinking, time management, team building and presentation skills to name a few. Thus, we offer our freshers a very memorable welcome into their undergraduate lives.

▶ **ACTS–Attendance and Course Tracking System**

The college monitors attendance, examination performance and curriculum coverage through a sophisticated cloud-based advanced Campus Management Information System IPOMO Communications India Pvt. Ltd. which makes use of mobile technology. Students can view their attendance and internal assessment marks online and also check on their mobiles. Even parents can monitor their ward's attendance status by checking on the IPOMO App.

▶ **MENTORING (Saamipiya-Mentorship Programme)**

The Mentorship Programme works to provide academic as well as personal support to all the students. Mentorship records are maintained for all students and helps to provide a picture of the over-all development of the student in the three years' stay in the college. Mentors go that extra mile and pay individual attention and support to each and every student.

▶ **Students' Welfare Officers**

In order to encourage students to voice their issues and solve their problems, the college appoints 2 Student Welfare Officers every year. The officers not only offer advice and support to students but act as the voice of the student community and vouches for their well being and development by conveying their issues and concerns to the head of the institution.

▶ **Recognition of Academic Merit**

The college employs a wide array of means to bring out the academic best in its students. Among other things, we believe regular rewards and recognition will motivate students to aim higher. Keeping this in mind we have established an Academic Honours day to honour overall and subject toppers not just during the time of graduation but each year. These feathers in their cap are also bestowed with the aim of helping the meritorious stand apart during placements.

▶ **Support for Differently-Abled Students**

Our college has always ensured that differently-abled students do not get left behind in the learning process. Our teachers are oriented, to pay more attention to their special needs and provide them additional encouragement and support by conducting special classes for them apart from regular teaching. Textbooks according to the latest syllabus have been specially transcribed into Braille for visually challenged students and arrangements for scribes are made for them during examinations.

▶ **Faculty Appraisal**

We deem our students important stakeholders of the institution and therefore make them a part of our decision-making process. Regular feedback is taken from them regarding their faculty on various aspects such as delivery, subject expertise, discipline, interaction etc. The appraisal is conducted online every semester on mobiles.

▶ **College Mobile App**

The college has its own mobile app which has become an invaluable and trendy means of communication and sharing. From university notifications to announcement of programmes, from placement news to live photographs - the college app has it all. There are also aptitude tests constantly being offered, keeping students well-prepared for placements.

KNOWLEDGE INFRASTRUCTURE

LIBRARY

The Seshadripuram College Library was established in the year 1973 to cater the need of the learning fraternity of the institution. Our library is a haven for book lovers. With a treasure trove of more than 1,06,327 books, we can proudly claim to have one of the best and largest collections of books among undergraduate colleges of Bengaluru. From autobiographies to thrillers, self-help and personality development books to a wide range of reference books - you name it and our library has it. Our library also has the distinction of subscribing to more than 32 journals and 36 magazines and 17 newspapers catering to diverse interests. A large number of reputed academic journals are also available for staff and for students interested in keeping abreast with latest developments in their domain.

Seshadripuram College Library and Information Centre is completely automated using PLV MyCampuz Library Management Software and developed MyChamp Mobile App to extend remote access to library resources. Digital Library has already initiated and collected e-resources in physical form CD-ROM's, Audio Cassettes, etc., also providing the facility to access e-journals, e-databases, abstracts & indexes under UGC-Infonet E-Consortia Programme.

Digital Library preserves and enables easy and open access to all types of digital content including text, images, moving images, mpegs and data sets and make it available to the entire scholarly community in open access

The following Services are available through the Digital Library :

- Syllabus
- Institutional Repositories
- e-Journals & eBooks
- Project Reports up-to Abstract Level

The college has carved a niche for itself among the premier educational institutions of Karnataka

UGC-Sponsored Network Resource Centre

The library is also equipped with a Network Resource Centre with 33 systems and advanced ACTS Fibernet 4G connection to provide students free access to the internet and encourage them to be up-to-date with the latest on the information highway. The centre is often used to conduct skill development certificate courses after class hours.

E-RESOURCES

E-resources subscribed by DELNET database is as follows

1. World e-book Library- provides access to more than 20 lakhs ebooks in all the disciplines from Arts & Humanities to History and Science & Technology to Social Sciences.
2. Info Trac Commerce Collection- a e-journals platform to access journals on the commerce domain.
3. IBMC Journals Package- provides access to e-journals on Management, Accounting, Marketing and other subjects.
4. INFLIBNET's NLIST consortia provides access to more than 6000+ e-journals and 799000+ ebooks to its member institutions. Seshadripuram College is the member of NLIST consortia from its inception since 2012.

Business Lab

The Business Lab is used as a centre for planning and conducting activities designed to promote practical application of knowledge gained in the classroom. These activities involve all students of the Commerce and Management stream of the college.

LANGUAGE Lab

Keeping in mind with the ever-increasing global demand for good communication skills, our college introduced the English Language Laboratory facility to help students hone these skills. The Department of English runs regular courses in Communicative English using the advanced interactive modules.

WEBSITE

(www.spmcollege.ac.in)

The website is the virtual face of the college containing all the relevant information about the institution. Whether it is the courses offered, facilities, activities or contact details, everything may be easily accessed on the website by anyone, anytime, anywhere. The site contains an online bulletin board where one may find information such as timetables, calendar of events and schedule of activities that takes place in college.

Other important highlights of our website are as follows :-

(a) ONLINE BLOOD DONORS' DIARY

The college website in association with the NSS unit which is known for its periodic blood donation camps has come up with a unique humanitarian initiative of creating an online blood donors' diary. The life-saving benefits of this diary may be availed by anyone within the city. The diary contains a list of our NSS student volunteers along with details regarding their blood group, contact information and other relevant data. Persons in need of blood may coordinate with our NSS Officer and have one of our donors do the needful thereby save lives.

(b) ONLINE GRIEVANCE REGISTER

Apart from making use of the suggestion boxes placed in different sections of the campus and directly approaching the Student Welfare Officers, members of the Grievance Redressal Cell or any faculty, students can now air their queries, complaints and suggestions to the college authorities online by filling out an online form in the college website especially regarding sensitive issues.

(c) ONLINE SYLLABUS & QUESTION PAPER BANKS

In order to further aid academic excellence, the college has uploaded the structure & content of all courses conducted in the college. An online question paper bank containing question papers of previous examinations is also available. Students and teachers can now easily refer, download, print and make optimum use of this data for greater results in their academic pursuits.

FINANCIAL INFRASTRUCTURE

Single Window System

The college ensures that students do not have to stand in long queues from time to time to pay their fees. Payments towards different fees are included in the admission fee charged at the beginning of the year. This includes the course manual or any another fees. Examination fees are paid online directly by the students.

Merit and Sports Scholarships

Our college has the rare distinction of awarding cash prizes to new meritorious students. At the very onset of their undergraduate programme, during their Orientation, freshers who have secured above 90% in the PUC examination are awarded a cash prize of Rs.10,000/- for their achievements. By beginning on this positive note, we hope to motivate these assets of our college to achieve greater distinctions. It is not only academic distinction which is recognised in this manner, Sports scholarships of Rs. 10,000/- and Rs. 5,000/- are given to outstanding sports persons competing at the international and national levels.

Financial Assistance for students

In addition to fee concessions provided by the Management, the college has created a special fund based on contributions from our alumni. The funds are used in providing financial assistance to economically deprived students.

Earn as you learn

Students may avail internships offered by prestigious MNCs and gather valuable industry experience. The college offers students the opportunity of making money from their photographic and designing skills during the various programmes conducted. Enterprising students are also encouraged in their business ventures with the college providing them a platform to sell their wares on the online marketing portal sdccampusmarket.com.

UNDER GRADUATE PROGRAMS OFFERED

BACHELOR OF COMMERCE (Regular)

The curriculum framework for B.Com. Degree is structured to offer a broad outline that helps in understanding the creative potential of new career growth opportunities based on changing industrial and societal needs. The program is upgraded keeping in mind the aspirations of students, with opportunities to major in specializations such as accounting, financial markets, marketing, human resources and banking to focus the students towards a career in those domains. The major objective of the graduate program is to elevate the subject knowledge among students, and making them as critical thinkers thereby students can address the issues related to industry and other business sectors.

BACHELOR OF COMMERCE (Accounting and Finance)

Is a three-year undergraduate program spread across six semesters, designed for students who are passionate about accounting and finance. Throughout the six semesters, students gradually build strong knowledge in financial accounting, corporate accounting, taxation, auditing, banking, and financial management, along with practical skills required in the real business world. The course not only strengthens analytical and decision-making abilities but also prepares students for careers in banks, corporate companies, auditing firms, and financial institutions. It also creates a strong foundation for higher studies and professional courses like Chartered Accountant (CA), Company Secretary (CS), Cost and Management Accountant (cma india) (CMA), Master of Commerce (M.Com), and Master of Business Administration (MBA), making it an excellent choice for students aiming for a successful career in the financial and corporate sector.

BACHELOR OF COMMERCE (Logistics and Supply Chain Management)

B.Com. Logistics and Supply Chain Management is a three year degree program spread over six semesters. The course is designed to provide the students wide range of commerce and management skills. Commerce and industry are the pillars of any developing economy. The objective of this course is to make the student familiar with the different angles relating to accounting, finance, banking business, logistics and supply chain management, organizational behavior and economy. Through this programme a student gains a comprehensive view of the functioning of an organization and also cultivates good communication skills.

Objectives of programme :

- To provide a well trained professional to the requirements of Industries, Banking sectors, Insurance companies, Financing Companies, Transport Agencies and corporates.
- Students can get through the knowledge of finance and accounting.
- The knowledge of different specialisations in accounting, costing, banking and finance with the practical exposure helps the students to stand in organization.
- To impart industry needed skill, problem solving and decision making competencies.
- To make students industry ready and develop various managerial and accounting skills for better professional opportunities
- To enrich students to adapt to an ever changing and dynamic business environment.

BACHELOR OF BUSINESS ADMINISTRATIONS (B.B.A.)

The program aims to create a stimulating head start in order to become dynamic leaders in the business world. The program provides practical industrial exposure to the students to gain managerial competencies and business acumen while attaining a holistic understanding of a business/industry through certificate courses, Business Lab activities and field trips. The program provides the students the knowledge and requisite skills in different areas of management like Human Resource, Finance and Marketing to give a holistic understanding of a business system and equip them with knowledge related to qualitative and quantitative techniques for critical thinking and problem solving.

BACHELOR OF COMPUTER APPLICATIONS (B.C.A.)

The primary objective of this program is to provide a foundation of computing principles and business practices for effectively using/managing information systems and enterprise software. The program helps the students to analyse the requirements for system development and expose them to business software and information systems. To produce outstanding IT professionals who can apply the theoretical knowledge into practice in the real world and develop stand-alone live projects themselves regular add-on courses are conducted in areas not covered by the university curriculum. The program trains the students with options to specialize in legacy application software, system software or mobile applications and to work effectively with a range of current, standard, office productivity software applications.

“ The Object of **EDUCATION** is to prepare **THE YOUNG** to Educate themselves throughout their **LIVES** ”

B.Com. (Regular)

Bachelor of Commerce (B.Com.) is a dynamic undergraduate program that provides in-depth knowledge of accounting, finance, taxation, business law, and economics. It is designed to develop analytical thinking, problem-solving abilities, and strong decision-making skills essential in today's competitive business environment. The course blends theoretical concepts with practical exposure through case studies, projects, internships, and industry interactions.

Students gain proficiency in financial management, auditing, banking, and entrepreneurship, preparing them for a wide range of career paths in corporate sectors, government organizations, and startups. The program also enhances communication, leadership, and digital skills required in modern workplaces.

B.Com. serves as a strong foundation for higher studies and professional qualifications such as CA, CMA, CS, and MBA, enabling students to pursue specialized and rewarding careers globally.

B.Com.

(Accounting & Finance)

Join us to build a strong foundation in Accounting and Finance and become future-ready professionals.

Building Future Finance Professionals

The Bachelor of Commerce in Accounting and Finance (B.Com A&F) program equips students with strong foundations in accounting, finance, taxation, and financial markets. The program is designed to develop analytical, technical, and professional skills required for careers in finance, banking, and corporate sectors.

Academic Excellence

Our curriculum is designed to combine theoretical knowledge with practical application in the field of accounting and finance. Students gain exposure to real-world financial practices and industry trends.

Core Areas of Study

- Financial Accounting
- Corporate Accounting
- Financial Management
- Cost and Management Accounting
- Investment Analysis & Portfolio Management
- Banking and Insurance
- Indian Financial System
- Business Law and Corporate Governance
- Financial Statement Analysis

Innovative Pedagogy

The department adopts student-centred and experiential learning methods to enhance understanding and practical skills. These methods help students develop critical thinking, analytical ability, and decision-making skills.

Teaching Methods

- Case study discussions
- Interactive lectures
- Peer learning and group activities
- Gamified learning in finance concepts
- Workshops and guest lectures by industry experts
- Hands-on sessions with accounting software

Experiential Learning

Learning goes beyond classrooms through activities that provide practical exposure to financial concepts.

- Financial market simulations
- Industrial visits
- Tally lab sessions
- Investment games and stock market activities
- Data analysis workshops
- Product-selling activities for experiential learning
- Peer learning and collaborative projects

B.Com.

(Logistics and Supply Chain Management)

This program is designed to equip students with a comprehensive understanding of the intricacies involved in managing the end-to-end supply chain. The pedagogy is characterized by a blend of theoretical concepts and practical applications, ensuring that students gain a deep insight into logistics, procurement, and distribution processes. The faculty, composed of seasoned professionals and academics, employs industry-relevant case studies and hands-on projects, enabling students to develop critical analytical and problem-solving skills essential in the dynamic field of supply chain management.

Course Objectives

- Develop a comprehensive understanding of the fundamental principles and concepts governing supply chain management.
- Acquire analytical skills to evaluate and optimize various components of the supply chain, including procurement, logistics, and inventory management.

- Foster critical thinking and problem-solving abilities to address challenges and disruptions in supply chain operations.
- Gain practical knowledge through industry-relevant case studies, simulations, and real-world projects.
- Cultivate effective communication and collaboration skills for seamless coordination within the supply chain network.

Course Outcomes

- Graduates will demonstrate proficiency in analysing and designing effective supply chain strategies to meet organizational goals.
- Students will showcase the ability to apply technology and data analytics to enhance efficiency and decision-making within supply chain processes.
- Graduates will possess the skills to adapt and innovate in response to dynamic changes in global supply chain trends and industry practices.

B.B.A.

The Bachelor of Business Administration (BBA) program is designed to mold the next generation of business leaders and entrepreneurs. The curriculum is strategically crafted to bridge the gap between academic theory and real-world corporate challenges

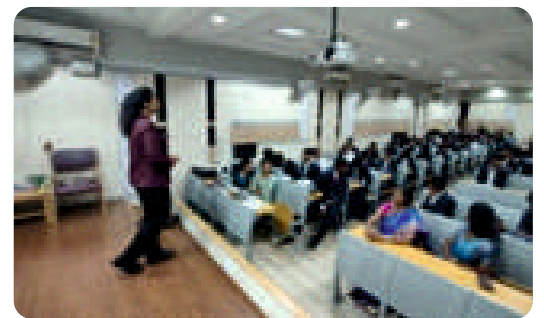

Core Objectives and the Curriculum

The program offers a comprehensive understanding of business functional areas, including Marketing and Finance. It emphasizes critical thinking, data-driven decision-making, and ethical leadership. Students are exposed to a dynamic learning environment that includes: Case Study Analysis: Solving real-life business scenarios to build analytical skills. Industry Interaction: Regular guest lectures

from alumni & corporate experts, and industrial visits to leading business hubs. Value-Added Programs: Certifications in areas like Digital Marketing, Advanced Excel, and SAP to enhance employability.

Holistic Development

Beyond the classroom, the BBA department fosters professional growth through management fests, personality development workshops, and internships. These initiatives ensure that graduates are not just degree holders but "industry-ready" professionals. With the college's strong placement record, University Rank. BBA students at Seshadripuram are well-positioned to secure roles in top-tier multinational companies or pursue advanced research and PG studies like MBA or MCA.

B.C.A.

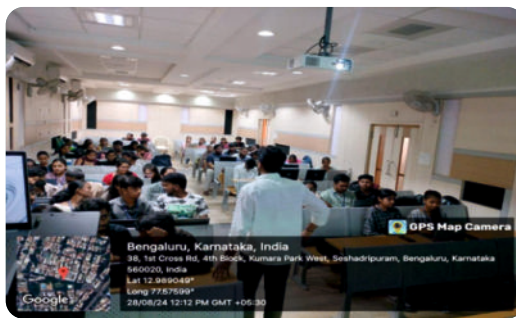

Bachelor of Computer Applications (BCA) is a dynamic undergraduate program designed to build a strong foundation in computer science, software development, and modern IT practices. The course equips students with skills in programming languages, database management, web development, and emerging technologies. With a perfect blend of theoretical knowledge and practical exposure, BCA prepares students for careers in software development, IT services, data analytics, and digital innovation. It also lays a strong foundation for higher studies like MCA and other specialized tech programs. Empowering future tech professionals to innovate, create, and lead in the digital world.

The program that nurtures future IT professionals with strong technical and analytical skills. It

focuses on programming, software development, data management, networking, and emerging technologies like AI and cloud computing. The course emphasizes hands-on learning, industry exposure, and real-world projects to prepare students for the evolving digital landscape.

The program designed to transform curious minds into skilled IT professionals. Gain expertise in coding, problem-solving, and system design while developing innovative solutions for real-world challenges.

It opens doors to diverse career opportunities in software development, web design, cybersecurity, data analytics, and IT consulting. With strong industry alignment, students are prepared to excel in top organizations and startups alike.

Seshadripuram College has association with Yeshas Academy Which is a centre for commerce education and a premier institute for **CA, CS, CMA, ACCA & other Professional courses**. They have been an undisputed leader when it comes to transforming young students into extraordinary professionals which our nation needs. Maximum number of CA & CS students qualify from **Yeshas Academy** compared to all the other competing institutions in Karnataka. With high-quality training, we have consistent All-India-Ranks & highest pass rates.

EMPOWERING
Changemakers

POST GRADUATE DEPARTMENT OF COMMERCE

WHY CHOOSE US?

A Master's at Seshadripuram College opens doors to limitless opportunities and transformative growth. Rooted in academic excellence, industry alignment, and global outlook, our programs equip you with the skills and confidence to lead. We go beyond job readiness—shaping you into a leader, thinker, and changemaker. Here, your potential becomes purpose, and ambition evolves into global impact.

PROGRAMS OFFERED

Two year Full-time Affiliated to
Dr. Manmohan Singh Bengaluru City University

Eligibility Criteria

M.Com.
Master of Commerce

Bachelor's degree (B.Com./ B.B.M./ B.B.S. and B.B.A.) from a recognized University and has secured not less than 50% of the marks in the aggregate in all the Commerce subjects of Business Education in all the years.

M.Com. FA
Master of Commerce in
Financial Analysis

Bachelor's degree (B.Com./ B.B.M./ B.B.S. and B.B.A.) from a recognized University and has secured not less than 50% of the marks in the aggregate.

Ph.D. in Commerce
Doctor of Philosophy

Bachelor's and Masters Degree in the field of Commerce

Note: In the case of SC/ST students and Visually challenged students the minimum percentage of marks required shall be less by 5%.

Career Impact

Our postgraduate programs are designed to unlock your potential and accelerate your professional journey. With a focus on adaptability, innovation, and global competence, we equip you for leadership roles across industries—empowering you to build a purposeful and enduring career.

Get Experience

- ◆ Global Immersion and Exchange programs
- ◆ Social Impact Volunteering
- ◆ Field-based engagements
- ◆ Cross-functional Collaborations
- ◆ Startup Incubation and Entrepreneurship support

Alumni Engagement

- ◆ Alumni Mentorship Programs
- ◆ Alumni-led Masterclasses and Career Talks
- ◆ Networking through alumni
- ◆ Alumni-supported Internship opportunities
- ◆ Lifelong learning and Career Support Access

Certificate Courses

- ◆ Industry-relevant certifications
- ◆ Emerging Tech. Skills
- ◆ Competency Builder Programs
- ◆ Add-on certifications aligned with emerging business functions

Corporate Connect

- ◆ CXO Masterclasses
- ◆ Panel Discussions and Fireside Chats
- ◆ Corporate Mentorship and Shadowing programs
- ◆ Industry Visits and Company Immersion days
- ◆ Strategic Tie-ups with Business associations and chambers

Holistic Learning Process

- ◆ Experiential, Case-based learning
- ◆ Ethics and Well-being focus
- ◆ Global business exposure
- ◆ Peer-driven Co-creative Spaces
- ◆ Leadership and Self-growth

Training Areas

- ◆ Corporate Communication and Executive Presence
- ◆ Career Design & Interview Readiness
- ◆ Analytical Thinking and Digital Proficiency
- ◆ Cross-cultural Leadership & Team Dynamics
- ◆ Sector-specific skills with International relevance

POST GRADUATE DEPARTMENT OF BUSINESS ADMINISTRATION

Why MBA at Seshadripuram College?

- **Industry-Aligned Curriculum:** Curriculum designed to meet contemporary industry requirements with flexibility, inter-disciplinarity, and outcome-based education.
- **Experiential Learning Pedagogy:** Live projects, case studies, simulations, internships, and field-based learning to bridge theory and practice.
- **Future-Focused Orientation:** Strong emphasis on **Business Analytics, Artificial Intelligence applications, Sustainability, and Entrepreneurship** across courses.
- **Strong Mentoring & Academic Rigor:** Continuous academic mentoring, structured assessments, and research-driven learning environment.
- **Value-Based Education:** Focus on ethics, social responsibility, Indian Knowledge Systems (IKS), and responsible leadership.
- **Career Readiness & Employability:** Skill development, certifications, and industry exposure to enhance professional competence.

Programme Outcomes (POs)

On successful completion of the MBA programme, graduates will be able to:

- Demonstrate **strategic, analytical, and data-driven decision-making skills** in diverse business contexts.
- Apply **managerial theories and tools** to solve real-world organizational problems.
- Exhibit **ethical leadership, social responsibility, and sustainability consciousness**.
- Integrate technology, analytics, and innovation in business decision-making.
- Enhance **employability, entrepreneurial capability, and lifelong learning orientation**.

Specialisations Offered with Career Pathways

The MBA programme offers the following elective specialisations, enabling students to align academic learning with career aspirations:

- Business Analytics
- Finance
- Marketing
- Human Resources
- Entrepreneurship
- Production & Operations

Industry Interface & Practical Exposure

- Guest lectures and expert talks by **industry professionals and corporate leaders**
- **Industrial visits** and exposure to real-time business environments
- **Certification programmes** and workshops aligned with industry needs
- Collaborations and **MoUs with industries, startups, and academic institutions**
- Internship projects and industry-oriented research initiatives

Placements & Internship Support

- Structured **internship assistance** and live industry projects
- Exposure to recruiters across **Banking, IT, Consulting, Manufacturing, Retail, Analytics, and Startups**
- Dedicated placement support focussing on **skill mapping and career alignment**
- Consistent placement facilitation and career guidance for students

Value-Added & Skill Enhancement Programmes

- **Global Certification** Program on Business Analytics, Financial Modelling and Digital Marketing from **Microsoft, IBM and META.**
- **Soft skills and personality development** programmes
- Communication skills, leadership, and team-building workshops
- Research orientation, **Indian Knowledge Systems (IKS)**, sustainability initiatives
- Entrepreneurship development and startup mentoring
- Competitive exam and **career readiness support**

POST GRADUATE DEPARTMENT OF COMPUTER APPLICATIONS

ABOUT THE PROGRAMME

Seshadripuram College, Bangalore, offer MCA course affiliated to Bangalore City University under AICTE regulations in 2024. The Master of Computer Applications (MCA) is a two-years program designed for students to flexibly adapt, consistently adhere to principles, effectively apply their skills, and strive for a harmonious balance and excellence in their careers. Through this empowerment, they are enabled to contribute significant value to both industry and society.

KEY FEATURES OF MCA PROGRAMME

- Computational Knowledge :** Understand computing and optimization techniques using mathematics and computational models for solving real-world practical problems
- Problem Analysis :** Formulate the problem in familiar and non-familiar contexts, conduct the feasibility study, and solve real-world problems through analysis that aims for optimal solutions
- Design / Development of Solutions :** Design and develop solutions for real-world problems by identifying relevant assumptions and formulating arguments, which provides user satisfaction in the multi-disciplinary sector
- Conduct investigations of complex Computing problems :** Conduct literature surveys through research papers, and survey techniques to extract information to understand complex problems, formulate hypotheses, and test them with qualitative and quantitative data.
- Usage of Modern Tools :** Develop or select, and apply relevant algorithms/techniques, and resources, using modern IT tools to solve complex computing problems and use appropriate software for analysis of data.

Professional Ethics : Understand professional ethics, cyber ACT/ regulations, and responsibilities with societal concern and adopt objective, unbiased and truthful actions in all aspects of work.

Life-long Learning : Engage in the lifelong learning experience to gain and improve knowledge and competency as a computing professional and to inculcate a healthy attitude for lifelong learning.

Project Management and Finance : Demonstrate knowledge and understanding of software engineering and management principles and manage projects efficiently as a leader considering economical parameters.

Communication Efficacy : Communicate effectively with the computing community and with society effectively by writing technical documentation, giving presentations, discussing instructions, and constructing logical arguments using the correct technical language related to the field.

Societal and Environmental Concern : Understand responsibilities and consequences based on societal, environmental based national, or international issues relevant to computing techniques and contribute to nation building.

Individual and Teamwork : Work effectively as an individual, as a member, or as a leader inspiring people in teams in multi disciplinary sectors.

Innovation and Entrepreneurship : Identify an opportunity for innovation in day to-day activities and enable an ecosystem to look for innovation opportunities that will help a large set of people be happy and thus allowing them to focus on improving what they do.

OUR TEAM

Seshadripuram College and the MCA Department aims to provide key computer skills and abreast the students towards the real world challenges and opportunities in the domain of computer science aimed to ease the life of the community through technological inclusivity across all arenas.

The program exposes students to the technical aspects of computers and software application. This facilitates the learners to understand various aspects of Software developing, program languages, networking, computer and mobile application software development, etc. It offers great opportunities to students, It empowers our students to advance their digital skills to boost employment prospects.

VALUE ADDITION PROGRAMMES

The college conducts a variety of value addition and skill development programmes with the idea of providing exposure to students and thereby helping them to make the right choices regarding their future. These courses are offered by various departments and Pragati - Cell for professional Development. These certified courses also help students stand apart from the rest in the job market by adding further value to their resume. The courses are held after class hours during the semester as well as during holidays between semesters. One Computer lab with 30 systems is kept exclusively for such courses.

- Campus Recruitment Training : Vikasa the Placement Cell conducts a sustained training programme in communication skills, aptitude tests and knowledge building culminating in intensive Placement Week training and Campus Recruitment drives in the fifth and sixth semesters. Offered free for all students.
- Excel in Excel : Training in Advanced Excel, an indispensable tool in the corporate world, is offered free for all Final Year students.
- Communicative English course with Language Lab facilities. English Language Lab training is aimed at assisting students who are weak in communicative English. The 30-hour certificate programme with syllabus approved by the UGC makes use of imported language software to help students better their reading, writing and speaking abilities in English. Each student is allotted a personal computer for the same which also focuses on strengthening their overall personality and confidence levels.
- Range of certificate courses in advanced areas of computer technology for BCA students in areas like Dot net and Advanced Java.
- Certified course in Tally with GST.
- Certified Course in Microsoft Office Specialist.
- Google and Amazon Certified Course.
- Certified Course in SAP.
- NSE certified Certificate Course in Capital Markets.
- Certificate Course in GST.

VIKASA - CAREER GUIDANCE AND PLACEMENT CELL

Vikasa, the Career Guidance & Placement Cell of our college plays a vital role in shaping the careers of our students. Our college attracts some of the best names in the industry who know the quality of human resource that we create here. Our alumni who are working in these organisations also assist us in the placement process. The Cell does not just limit its goals to finding jobs for students. It aims to help students to make informed choices regarding careers by organizing career guidance sessions and seminars with experts from the industry. It serves as a liaison between students and potential employers and organises campus recruitment by highly-reputed companies. It facilitates a large number of placements by offering training programmes for every aspect of the placement process.

The members of the cell are aware of the competition that are awaiting the graduates who pass out of college and they work in tandem with all our faculty members to make sure that classroom teaching helps students in developing their productivity & employability.

PLACEMENT CELL TESTIMONIALS

Yashaswini R., Societe Generale

I would like to express my sincere gratitude to Vikasa Placement for providing me with this wonderful opportunity. I am truly thankful for the guidance, support, and constant encouragement given throughout the placement process. I deeply appreciate the platform you have created to help us step confidently into our professional journey. Thank you for being a strong pillar of support and inspiration. I would also like to express my heartfelt gratitude to all my teachers for your unwavering support and mentorship, which will always remain a strong foundation in my life.

Yuktha Y. Shetty, EY GDS

I am delighted to share that I have been successfully placed in EY GDS as a tax analyst. I am deeply grateful to Seshadripuram college and vikasa cell for their strong placement support and the valuable opportunities provided. The guidance and encouragement from the faculty and placement cell were instrumental in my success, while the academic environment helped me gain confidence and clarity in my career goals. I am especially thankful for the mentorship, motivation, and unwavering support by the Vikasa Placement cell that guided me at every step. This achievement reflects the institution's commitment to nurturing students and preparing them for a bright future.

S. P. Maneesh Jeyenth, Ernst & Young

Vikasa Placement Cell and Faculty co-ordinator Bharath Sir supported me throughout the entire placement process with proper guidance and timely updates. I'm truly thankful for the opportunities, training and encouragement they provided. Their continuous efforts and support played an important role in helping me secure a job, and I genuinely appreciate the work they do for students.

Monisha K., Empower

Thank you to Sheshadripuram College and the Vikasa Placement Cell for their continued support throughout the placement journey. Their guidance helped me prepare better and stay focused. I am grateful for the chance to begin my career at Empower. I am thankful for the opportunities and direction that turned my aspirations into reality. I carry forward these learnings as I step into the professional world with confidence.

INTERNSHIP COMMITTEE - "DHRUTI"

The Dhruvi Internship Committee, plays an instrumental role in enhancing the professional growth and holistic development of students. It serves as a vital link between academic learning and industry exposure, aiming to equip students with the skills and experience necessary to excel in their careers. The Committee is dedicated to nurturing creativity, fostering practical learning, and encouraging students to gain hands-on experience beyond the boundaries of theoretical education.

With the objective of promoting real-world understanding, the Committee facilitates internship opportunities across a wide range of domains, including Human Resource Management, Marketing, Digital Marketing, Retail Sales, Customer Service, Auditing, Vendor Management, Taxation, Accounting, and Finance. Students are given the opportunity to work on live projects, enabling them to apply academic concepts to practical business challenges and develop crucial professional competencies.

The Dhruvi Internship Committee remains steadfast in its commitment to preparing students for future endeavors by instilling confidence, competence, and a strong sense of professionalism. Through continuous guidance, industry collaboration, and skill-oriented programs, the Committee ensures that students evolve into resourceful individuals ready to thrive in competitive corporate environments.

Shreevalli K. M.
(2021-24)

Seshadripuram College is not just an institution for academic learning but a transformative journey that shapes students into confident, responsible, and capable individuals. The college provides a holistic environment where academics are strongly supported by value-added programs, professional guidance, student committees, clubs, and forums that encourage leadership, communication, and practical exposure. The faculty members act as true mentors, extending their support beyond classrooms by guiding students in career decisions, professional courses, and personal development, while also instilling discipline and values. The vibrant campus life, filled with discussions, projects, events, and collaborative learning, helps students build lifelong friendships and unforgettable memories. From classrooms and corridors to the stage and canteen, every corner of the campus carries moments of growth, learning, and joy, making Seshadripuram College a place that leaves a lasting impact on every student's life and career.

”

“

Pragathi S
(2017-20)

Seshadripuram College - My Journey in this Institution for 3 years has been truly a golden period in my life. It was not just an institution for getting a degree, it was the place where I realised importance of practical learning, identifying our abilities, importance of public speaking etc, It not only helped me gain academic excellence but it also helped in my overall development. My true friends were my teachers who supported me throughout, who identified my abilities, who gave me wonderful opportunities, helped in enhancing my courage hence I could be part of various committees in College, I am proud that I was part of more than 10 committees like Gandhi Study Centre, Ambedkar Committee, E-Cell, Business lab, formus, Kannada Adhyana kendre, Literature, Student Council etc. In my final year getting opportunity for being part in student council election, voting and finally being student Council secretary was unforgettable experience and learning. Placement Cell which trained us in making our SWOT Analysis truly helped in our career development. To thank it is not just one or two names, I would like to all my dear facilities for taking so much efforts in supporting us and shaping us to be a responsible future citizens.

”

“

My journey at Seshadripuram College is not just an academic story; it is a story of transformation, confidence, and self-discovery. I entered the institution for my PUC as an average student, filled with uncertainty about my capabilities and my path forward. However, the supportive academic environment, constant encouragement from faculty members, and the college's focus on holistic development helped me push beyond my perceived limits. Having completed my PUC, I graduated with strong results and, restored my belief in my own abilities. This growth inspired me to continue at the same institution by pursuing a BCom degree.

. My degree journey extended far beyond classrooms and examinations. The college offered numerous platforms to explore leadership, creativity, and service. My role as Secretary of the Rotaract Club was instrumental in developing my core competencies in organization, communication, and collaborative teamwork. I was also an active Member and Student Editor of the Magazine Committee, where I contributed to content planning, editing, and coordination, further enhancing my writing and editorial abilities.

I also held editorial positions for significant projects: managing content for the Prakarsha Mantapa blog and leading the editing process for the official NAAC Peer Team Visit presentation video. These experiences exposed me to content creation, visual storytelling, and professional documentation, preparing me for real-world responsibilities. I was also an active participant in the Basava Study Centre, Gandhi Study Centre, and the Samhita Community Cell, which helped me develop a strong sense of social awareness, values, and ethics.

Representing the college as a Senior Youth Mentor at Let Us Dream Global was another milestone that strengthened my leadership skills and allowed me to mentor and inspire younger students. I proactively developed both my technical capabilities and interpersonal skills throughout this period. My passion for photography grew into a meaningful contribution to the institution, as I documented major events such as the LIC inspection and several other significant college programs. I also served as an admin and handler of the college's social media team for one and a half years, gaining hands-on experience in digital engagement, content management, and team coordination.

I chose to pursue my MBA at the same college, building on its foundational role in my academic and personal growth. The MBA program refined my professional outlook and equipped me with industry-relevant skills. With the guidance, training, and placement support provided by the college, I was fortunate to secure a placement at EY GDS in the second semester itself—one of the proudest achievements of my journey.

Looking back, Seshadripuram College gave me far more than academic qualifications. It gave me confidence, opportunities to shine, platforms to lead, and the courage to dream bigger. I remain deeply grateful for the mentors, peers, and experiences that made my journey truly memorable and transformative.
